

Consultant Profile

Name:

Shelley Crofts

Function:

Associate

Languages:

English

Educational background:

MSc Occupational Psychology; Birkbeck College
 BSc Psychology; University of Surrey
 Level A & B Qualified in Psychometric Testing (Aptitude & Personality)
 NLP Practitioner

Core competences:

Executive assessment and development; talent management;
 development programme design and delivery; team-building
 interventions; competency modeling; assessment centre design and
 delivery

Career experience:

My career began in the financial services sector, where I held a
 number of leadership and development roles, at both a Global and
 Regional level for organisations including JPMorgan, HSBC and ABN
 AMRO. I have spent the last 3 years working as a consultant and
 have led and delivered projects for an extensive FTSE 100 client base.

Major Client sectors:

Financial Services; Telecomms; Oil and Gas
